Let us build your dream.

Home starts here. Brooks Street Builders is an onsite, dedicated resource to help you envision and then build your new home at Wilder. Our team includes building and construction experts that have more than three decades of experience crafting custom luxury homes to exacting standards. We will manage the construction process with exceptional detail, professionalism and skill, giving you a single point of contact and a seamless, simple and worry-free experience throughout the design and construction process. We make the process easy to understand, keep you well informed and are very efficient with your time. Before you know it, your home will be finished and ready for you and your family to move in and start an incredible life at Wilder.

Whether you choose one of Wilder's pre-designed portfolio plans by renowned architect Robert Hidey or would like to explore a custom design within the architectural guidelines, Brooks Street Builders can help bring your dream to life. If you would like to learn about the building process, design possibilities or scope of work, please contact us for a consultation.

We are Wilder. Our team has been intimately involved with Wilder and the vision of the community for more than a decade and we are committed to the preservation and restoration of the native landscape. We ensure that each home design includes a detailed landscape plan that illustrates how the home will conform to the surrounding environment and incorporate the native palette. Our team also has relationships with local and national planners who have worked collaboratively alongside the City of Orinda and can help expedite planning and approvals for your home's design.

Orinda, California

Welcome to a life like no other.

Brooks Street Builders offers turn-key construction services to homeowners at Wilder, a new neighborhood in Orinda designed to live in harmony with nature. Nestled in a small valley and surrounded by thousands of acres of preserved open space, Wilder offers custom homes inspired by Orinda's semi-rural landscape and architectural heritage. The secluded setting will include an extensive trail network, parks and playfields, and the Quarry House, a grand hacienda with indoor/outdoor gathering spaces, a fitness center and a world-class swim club.
