WILDER, ORINDA, GETS CREATIVE WITH NEW ART + GARDEN CENTER

AUGUST 28, 2017–ORINDA, CA Construction is underway on the Art + Garden Center at the luxury new community of Wilder in Orinda, which features 245 homesites in one of the Bay Area’s most beautiful settings. On June 7th, the groundbreaking ceremony took place with members of the Orinda City Council, City Officials, City staff as well as Brooks Street, the master developer of Wilder.

The Art + Garden Center will be a 6,600 sq ft facility that features 4,100 sq ft of flexible space that includes four separate studios. The building—a truly one-of-a-kind amenity—will wrap around an outdoor amphitheater that will be a creative and dynamic outdoor gathering space. Once complete, the building will be transferred to the City of Orinda, which will own and operate the facility for event rentals, classes, demonstrations, lectures, special events and other public uses. Construction is expected to be complete next summer 2018.

“Construction on the Art + Garden Center is proceeding as planned,” stated Michael Perry, Partner, Brooks Street Builders. “It won’t be long before the entire Orinda community is enjoying this incredible amenity.” The facility will feature flexible gathering spaces, grand windows for inspired views and natural light, all within a timeless, contemporary design. Designed by the San Francisco architectural firm, Hunt, Hale Jones, The Art + Garden Center will be a vibrant, exciting and comfortable place for the greater Orinda community.

Residents of Wilder also enjoy an impressive array of family-friendly amenities including an extensive network of trails and pathways, a private swim and recreation center, five community ballfields—all surrounded by 1,300 acres of protected, natural open space.

Situated just off Highway 24, east of the Caldecott Tunnel, Wilder is a preeminent, luxury new home community located in one of the Bay Area’s most sought-after communities, just 25 minutes from downtown San Francisco. With exclusive new homes, custom homes and homesites, Wilder is also located in the region’s top school district.
